AURORA YOUTH SOCCER CLUB

## PRESIDENT'S ANNUAL REPORT 2025

Dear members,

2025 has been bittersweet. The AYSC/AFC lost our Executive Director Bill Kizovski after a year long courageous battle with cancer. Bill was the backbone and leader of our club for the past thirteen years. His commitment to excellence and attention to detail was remarkable. Working long hours. Connecting with so many of our members. It was remarkable to witness. Bill was my dear friend and he will be missed by all who knew him.

Through it all our club has had a tremendous year. 2025 has been our most productive year since our inception in 1964. I am so proud of our coaches managers trainers referees and board of directors. But most of all our athletes and parents. We are blessed to be part of such a wonderful community. Aurora and York region is one of the most resilient areas in Canada.

A very special heartfelt thank you to Sandy Porter. David Diplacido. Marco Ciampa. Maricel Tavares. Sue Savoie. These five individuals have exhibited professionalism and hard work to keep the club running during our difficult year. Bravo team. Thank you.

In closing. I would just like to say that 2026 will be a great year. We will all work very hard to maintain the high standards Bill implemented.

Here's to a great 2026. Wishing team Canada much success in the World Cup. Go Canada Go.
